DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-17 and 19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 – in line 12, --and-- should be inserted between “arranged” and “proximal” for clarity (see claim (c) of claim 18). Claim 4 – the second solid gel portion should adhere to the third, not second, eyelet. Claim 5 – the second liquid gel portion should adhere to the third, not second, eyelet. Claim 19 – the second solid gel portion should be on the patient side of the third, not second, eyelet.

Allowable Subject Matter

Claims 18 and 20-22 are allowed.

Claims 1-17 and 19 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claim Objections

Claim 18 is objected to because of the following informalities: “108” should be removed from line 13 since no other numerals are used in the claims. Appropriate correction is required.
